immediate pushing away stop to Togo! Immediate completion of the kollaboration between German authorities and representatives of the togoischen RPT regime! Nostorf/Horst district Ludwig desire, 01 June 2005 report to the press and to the public today took place the first day of the obligation demonstrations from togolese refugees to the identity examination and preparation to the exhibition of passport spare papers for deportation in the national office for affairs of refugee in refuge (Mecklenburg-Western Pomerania). Massif a police presence secured all around the former NVA barracks, which are at the same time refugee accommodation. Two message representatives since over 38 years dominant RPT regimes in Togo accomplished the forced interviews together with employees of the national office. Approx.. 40-50 Togoer and Togo gutters from Mecklenburg-Western Pomerania and Lower Saxony were partly brought in police transporters, partly in touring buses after refuge. According to statements of the director/conductor of the landing office in on two days the set country widely coordinated action 121 persons are obligation-demonstrated. Against togolese exile oppositional speaks of substantially more persons. It suggests also that a this morning demonstrated reported refugee that he had not gotten announcement and/or citation, this morning was however nevertheless forced to enter into the transporter before its asylum accommodation. Before the national office approx. 50 togoische regime opponents protested and some supporter inside against the kollaboration of the German authorities with the RPT regime. In particular after that the so-called election farce accomplished in April we by togolese Militaers and Milizen an extreme persecution campagne. Several hundred dead ones, thousand injured and hurted, disappearing leave, rapes led to it- that over 30.000 humans to Benin and Ghana fled. Also the togolese human right organization (LTHD) and amnesty internationally describe the situation dramatically and continuously. From Benin returning refugees were attacked likewise. While in German government circles the situation in Togo is called calm and strained, the reports from human right organizations press and statements from refugees that nobody, which does not belong to the RPT regime, can be safe from nocturnal excursions of the Milizen. The togolese refugees, whose deportation are prepared at present in the national office in refuge, are exposed to large danger. The German government violates the refugee protection agreements, if not an immediate pushing away stop is proclaimed to Togo. The protest against the obligation demonstrations is continued tomorrow on 02 June (9°° - 16°°) before the national office refuge. The demands are: - the immediate pushing away stop to Togo - the immediate completion of the obligation demonstrations and the entire kollaboration with the RPT regime in addition we request the responsible persons in the national office to stop the prevention of the establishment of contact between the demonstrated refugees and the protesting. Today became humans, who had to participate in the message demonstration, when prisoner of the national office treats. Also during the waiting periods they were not allowed before the gate to the protest of their friends and compatriots. - caravan for the rights of the refugees and MigrantInnen co-ordination circle Hamburg Tel: 0049-(0)40-43 18 90 37 c/o Brigitte road 5 fax: 0049-(0)40-43 18 90 38 20359 Hamburg mail: free2move@nadir.org/www.thecaravan.org - ANTIRASSISTI INITIATIVE ROSTOCK (A.I.R) - Imam Jonas Doegues (executive committee member refugee advice of the Mecklenburg-Western Pomerania) - togoische exile opposition in Hamburg and Mecklenburg-Western Pomerania
