

Attention – Attention!!!

Dear colleagues, asylum seekers and refugees in Germany. We want to invite you to participate in large numbers in two important demonstrations. On the 7th of October a big antiracist demonstration is taking place in Hamburg (2 p.m. Hauptbahnhof). The central demands are: 'Stop all deportations' and 'Equal rights for everybody!'. Not only in Hamburg will people demonstrate on that day. All over Europe, and also in some African countries people will take to the streets on that day against the asylum politics of the European governments.

On the 10th of November we will demonstrate in Rostock (about 3.30 p.m. at Hauptbahnhof). We want to focus especially on the situation of the refugees in Mecklenburg-Vorpommern. The date is not chosen accidental. On the 16th/17th of November the German Ministers of the Interior meet in Nürnberg. There, they will decide on a regulation concerning the right to stay for some (!) of the refugees who have been 'tolerated' (geduldet) for many years. Our demand is therefore:

The right to stay for everyone!!!

Both demonstrations are very important for us Togolese: The deportation stop for Togolese people which was decided by the German authorities is coming to an end, more concretely it will expire on the 10th of October. But Togo is still under the same dictatorial, totalitarian and cruel regime and the life of each single refugee from Togo is in danger on the territory of Togo. And look at the danger which is hanging over our situation as asylum seekers here in Germany.

We, Togolese, members of NoLager Mecklenburg, Hamburg, Bremen, Berlin etc. invite you to participate on a huge scale in the two demonstrations on the 7th of October 2006 in Hamburg and on the 10th November 2006 in Rostock.

For a systematic stop of all deportations to Togo, as long as the dictatorial regime is ruling the territory. And for a general refusal to deport asylum seekers in Germany to their respective countries of origin. Freedom, Freedom, freedom for everyone !!!

The costs for traveling by train (Mecklenburg-Vorpommern Ticket) to Hamburg and Rostock will be paid by NoLager.
